CAREER OBJECTIVE

BCA graduate and aspiring Python Full Stack Developer with knowledge of Python, Django, HTML, CSS, JavaScript, React, and MySQL. Seeking an opportunity to apply my technical skills, adapt to new technologies and work environments, take on new responsibilities, and contribute effectively to real-world projects with a continuous learning mindset.

EDUCATION

Bachelor of Computer Application [BCA] , S.A College of Arts and Science	2026	75%
Completed HSC , Vijayanta Higher Secondary School	2023	91%

SKILLS

Programming: Python , JavaScript **Frontend** HTML5 , CSS3 , Bootstrap , React(Basics)
Backend: Django Framework **Database:** MySQL,SQLite **Tools:** Git, GitHub, VS Code

INTERNSHIP

Python Full Stack Development Intern — Pumo Technovation May - Sep 2026

- Trained in Python, Django, and full-stack web development fundamentals through structured coursework and guided projects
- Gained hands-on exposure to backend development, database integration, and version control workflows

PROJECTS

BuildWise Web App | Python, Django, HTML, CSS, JavaScript

- Developed a responsive PC-building and component shopping website with organized product categories, technical specifications, pricing, and images.
- Implemented a step-by-step PC Builder with real-time compatibility checking, price calculation, and performance scoring using Django and JavaScript.
- Designed and developed the website independently through hands-on coding, testing, and debugging..

Smart Attendance System | HTML, CSS, JavaScript, Firebase

- Built a QR-code based attendance system with faculty/student portals for real-time session
- Implemented QR expiry and duplicate-scan detection to eliminate proxy attendance
- Integrated Firebase Realtime Database for instant data synchronization, ensuring accurate and accessible attendance records across multiple devices

CERTIFICATIONS & COURSES

- Professional in Python Full Stack Development — Pumo Technovation
- Certification of Python Programming (intermediate) - Stem Training Solution
- Certification of Data Analytics - Acc Institution of Commerce
