## CAREER OBJECTIVE

BCA graduate and aspiring Python Full Stack Developer with knowledge of Python, Django, HTML, CSS, JavaScript, and MySQL. Seeking an opportunity to apply my technical skills, adapt to new technologies and work environments, take on new responsibilities, and contribute effectively to real-world projects with a continuous learning mindset.

## EDUCATION

|                                                                                 |      |     |
|---------------------------------------------------------------------------------|------|-----|
| <b>Bachelor of Computer Application [BCA]</b> , S.A College of Arts and Science | 2026 | 75% |
| Completed <b>HSC</b> , Vijayanta Higher Secondary School                        | 2023 | 91% |

## TECHNICAL SKILLS

**Programming:** Python, JavaScript    **Frontend:** HTML5, CSS3, Bootstrap

**Backend:** Django Framework    **Database:** MySQL, SQLite    **Tools:** Git, GitHub, VS Code

**Currently Learning:** Advanced Django Concepts & React.js fundamentals

## INTERNSHIP

**Data Science & Analytics Intern — Pantech eLearning** Sep - Oct 2025

- Completed hands-on training in data science and analytics concepts
- Worked on real datasets involving data cleaning, analysis and visualization

## PROJECTS

### Smart Attendance System | HTML, CSS, JavaScript, Firebase

- Built a QR-code based attendance system with faculty/student portals for real-time session
- Implemented QR expiry and duplicate-scan detection to eliminate proxy attendance
- Integrated Firebase Realtime Database for instant data synchronization, ensuring accurate and accessible attendance records across multiple devices

### Baby Boutique Web App | HTML, CSS, JavaScript

- Developed a responsive baby boutique e-commerce website with organized product categories, details, pricing, and images.
- Implemented interactive features and user-friendly navigation using JavaScript.
- Designed and developed the website independently through hands-on coding, testing, and debugging.

## CERTIFICATIONS & COURSES

- Python Full Stack Development — Pumo Technovation | Currently Pursuing
- Certification of Python Programming (intermediate) - Stem Training Solution
- Certification of Data Analytics - Acc Institution of Commerce
